“The team at City Crafts were fantastic. Very professional and delivered a high quality finish. I would thoroughly recommend them. Our new build is transformed from right angles to an elegant cornice finish. Thank you.” - **David Ridley**

“So happy with the results. We're renovating a house and there are pieces of the original cornices missing in some of the rooms. City crafts have just finished the first one and matched it exactly! I'm delighted. Fascinating to see how they did it. They also fitted us in for a deadline and all the guys that came were so nice and friendly.” - **Alexandra Gracie**
